www.LLIS.gov

*LLIS* Colleagues,

The Department of Homeland Security has recently released Version 2 of the [Draft National Incident Management System \(NIMS\) Upgrade](#) and has opened it for nationwide review and comment. As subject-matter experts and practitioners, I encourage you to review the document and provide your valuable comments the Department.

The NIMS Upgrade Document (Version 2) can be accessed for review and can be downloaded from the NRP/NIMS website at <http://www.dhs.gov/nrp>. If you would like to request a comment form to submit comments, please email [NIMScomments@hsi.dhs.gov](mailto:NIMScomments@hsi.dhs.gov). However, while a comment form will help assure clarity and consistency, it is not a requirement. You may also submit your comments directly to that email address.

**Comments must be submitted by April 6, 2007** to be considered during the second comment period.

Thanks,  
John L. Rabin
